## Programme Name

Operations / Departmental Manager

## Overview

Management and leadership skills are key across all sectors, industries and businesses.

Our Management Apprenticeships have been developed to improve the knowledge and effectiveness of both existing and aspiring leaders and managers. They give your staff the skills and tools they need to thrive in their role whilst building your future leadership and management talent pipeline.

At a time when work environments and interactions are changing, there are specific skills that leaders and managers must acquire and develop for businesses to adapt and be productive. This includes change management and the leadership of fluid and remote teams. In addition, the specific skills of critical thinking, data literacy and objective evaluating are more important than ever. Our Management Apprenticeships teach staff these vital skills and more.
